CONSTITUTIONAL AMENDMENT NO. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
- restrict sports betting to individuals physically located in the state and over the age of 21;
- allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
- allow for the general assembly to enact laws consistent with this amendment? State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.
